In addition, an enroller bonus as set forth in Exhibit A is paid to the next up-line in the enrollment network who has a matching or higher rank to that of the advancing Ambassador. For the up-line Ambassador to qualify, they must achieve the same or a higher tier than the advancing Ambassador in the month of advancement.

# LEADERSHIP BONUS

Paid Monthly

**Leadership Rewards Bonus:** The Leadership Rewards bonus is a flat rate cash bonus paid as set forth in Exhibit A to Ambassadors who achieve certain tier & title within the compensation plan for the relevant month. It is in addition to all other commissions and bonuses paid.

TIER INFLUENCER			SILVER INFLUENCER			GOLD INFLUENCER		
TITLE			TITLE			TITLE		
I	II	III	I	II	III	I	II	III
\$200	\$500	\$1000	\$2000	\$3500	\$7777	\$12,000	\$20,000	\$30,000

This is a guaranteed bonus  
paid every month as you  
achieve and maintain your tier and title

# AMBASSADOR NETWORK BONUS

Paid Monthly

**Ambassador Network Bonus:** This bonus is paid monthly based on commissionable points of an Ambassador's organization and the tier achieved by that Ambassador. In general, tier is determined by Personal Points, Team Points, and their success in helping other leaders grow their Personal and Team Points with new memberships. Tiers & titles are measured each month based on the characteristics of an Ambassador's memberships in their organization during that month. Tiers are not guaranteed or permanent.

The sum of all the Personal Points and Team Points of each Ambassador is used to help calculate the tier for the month. In addition, each Ambassador's network naturally consists of numerous smaller Ambassador networks belonging to other Ambassadors.

Each such smaller, unique Ambassador network constitutes a "leg" for purposes of the compensation plan. In the compensation plan, the "level" of any particular Ambassador is determined by looking at your Ambassador network to determine how many Ambassadors are between you and the Ambassador in question. For example, all of the Ambassadors you enroll (even if you have also placed them outside of your Level 1) are on your Level 1. All of the Ambassadors sponsored by someone on your Level 1 are your Level 2. Ambassadors sponsored by someone on your Level 2 are your Level 3, and so forth.

Each tier has its own qualifications and pay structures for the Ambassador Network Bonus as set forth in the chart in Exhibit A. In general, as tier increases, pay percentages increase, and commissions are paid additional Levels deep.

---

**Infinity Bonus:** The Infinity Bonus is paid as set forth in Exhibit A on an infinite number of Levels to Ambassadors who have achieved a **Gold Influencer (GI)** level for the relevant month.

---

\*The Infinity Bonus pays a percentage on all commissionable points on Level 8 (or lower). The starting point for this bonus is the level after the last level bonus was paid. Due to roll-up, that may be on level 8 or lower, depending on how much, if any, roll up there is. The percentage that an Ambassador receives is based on their paid-as title for that period. Ambassadors will not be blocked from their payout by other Ambassadors with the same or higher paid-as title. Infinity Bonus is subject to a 2% cap of all company commissionable points.

# DEFINITIONS & KEY TERMS

**Member:** Anyone who has joined the membership who is not participating in the Ambassador Rewards

**Ambassador:** Anyone who has joined the membership and has paid \$47 annual fee and has made the choice to participate in the Ambassador Rewards Program

## Compression of Canceled Accounts

**Compression (General):** In the event an Ambassador is inactive for 60 days (0 PV in the month being measured) or otherwise leaves the business, their downline is compressed to their upline sponsor, filling the gap left by the inactive Ambassador. The Ambassador in the first level below the inactive Ambassador, along with their downline, will move up one level within the organization filling that vacancy. This process takes place during the monthly commission calculation ensuring that Girl Power Alliance maximizes commissions paid to its Independent GPA Ambassadors.

Example of the "compression process": Tina has three Ambassadors on her first level (Sandy, Mary, and Jen). Should Tina's Ambassador position become inactive with 0 PV in the month, then Sandy, Mary, and Jen along with their respective organizations will be compressed to Tina's up-line sponsor, Beth. Sandy, Mary, and Jen now reside on Beth's first level. In the case of inactivity, if the following month Tina has at least 1 PP, then she will occupy the position in the tree when commissions are calculated, and Sandy, Mary, and Jen will be level 1 to Tina and level 2 to Beth in that month. Compression (Influencer II and Higher):

For a vacancy occurring in an organization where the inactive Ambassador was paid as an Influencer II or higher in the last four months, their organization will only be compressed if their up-line sponsor has not been paid-as Influencer II or higher at least once in the last four months. In the event that the up-line sponsor has not been paid as Influencer II or higher at least once in the last four months, the up-line sponsor will be given the following six months to be paid as Influencer II (or higher) at least twice.

Note: If the up-line sponsor promotes to Influencer II in the last month of the six-month period, they will be given the following month to qualify as Influencer II again (to meet the two months requirement). If the up-line sponsor qualifies under these conditions, the organization of the inactive Ambassador will be compressed upon the completion of the qualifications during the monthly commission process. Retroactive commissions will not be paid. If the up-line sponsor does not qualify under these conditions, the position of the inactive Ambassador will remain permanently vacant and will not be removed from the genealogy. The organization will remain intact and will be considered to be one leg of the up-line sponsor.

## **Q: Can I share the income stories from other ambassadors?**

**A:** Compliance is very important to both the company and to you. As we all know people have misused income claims. In order to protect GPA and yourself, we highly suggest you always add an income disclosure statement in regards to content you have created around your personal income, earnings or incentives earned. Integrity is one of the Girl Power Alliance's core values. We are partnering with you to keep this value at the forefront, by honestly displaying this information.

**Dream big, God-sized dreams my friend. Do not leave your financial legacy to chance. Grab ahold of this gift and run with it; you were made for this!**

## KINGDOM ALLIANCE INCOME DISCLOSURE STATEMENTS

Earnings are not typical. Ambassadors must be actively working to build their Ambassador Network in order to earn. This requires influence, organization, and integrity. There are no guarantees of income earned.

**Income Claims & Earning Representations.** The terms "income claim" and/or "earnings representation" (collectively "income claim") include: (1) statements of average earnings, (2) statements of non-average earnings, (3) statements of earnings ranges, (4) income testimonials, (5) lifestyle claims, and (6) hypothetical claims. Statements of Average/Non-Average Earnings & Earnings Ranges. Statements of non-average earnings include, "Our number one Ambassador earned XXX dollars last year" or "Our average Ambassador makes XXX per month." An example of a "statement of earnings ranges" is "The monthly income for Ambassadors is XXX on the low end to YYY on the high end."

**Lifestyle Income Claims.** A lifestyle income claim typically includes statements (or pictures) involving large homes, luxury cars, exotic vacations, or other items suggesting or implying wealth. They also consist of references to the achievement of one's dreams, having everything one always wanted, and are phrased in terms of "opportunity" or "possibility" or "chance." Claims such as "My GPA income exceeded my salary after six months in the business," or "My Girl power Alliance business has allowed me to come home and be a full-time mom" also fall within the purview of "lifestyle" claims.

**Hypothetical Income Claims.** A hypothetical income claim exists when you attempt to explain the operation of the Ambassador Rewards through the use of a hypothetical example. Certain assumptions are made regarding the: (1) number of Ambassadors/ Members sponsored, (2) number of downline ambassadors, (3) average product volume per ambassador, and (4) total organizational points. Cranking these assumptions through the Ambassadors Rewards yields income figures which constitute income claims.
